**APM1602: Welcome:** Chairman welcomed Councillors and electors present at meeting.

**APM1603: Minutes:** The minutes of last Annual Parish Meeting were unavailable. Should these be discovered, they will be brought to the next meeting for approval.

**APM1604: Report of Parish Council activities since last APM** – given by Chairman and attached at Annex A.

**APM1605: Electors' comments about the report** were noted:

1. A member of the public asked who the contractor is for the street lighting replacement. The Council advised that this was NYCC.
2. A member of the public noted that the war memorial cleaning had not appeared on minutes since February and requested that it is added to the next agenda.

**APM1606: Reports from other organisations.**

1. Cllr Luscombe reported on behalf of the Village Green Management Committee that the pond on the village green has a hole in the liner and that repairs are being considered.

**APM1607: Electors present at meeting were given the opportunity to raise any queries or suggestions.** Clerk noted points made:

1. A member of the public made the comment that insurance companies often offer discounts in areas where there is an active Neighbourhood Watch operating. The Neighbourhood Watch in Escrick does not seem to be active at present. The Council was not aware of anyone active in this area, but this issue is to be added to the next agenda to consider whether/who on Council might be the lead on Neighbourhood Watch matters and to circulate the police reports and Neighbourhood Watch information.

**7.15pm: Closure of APM.**

Signed ..... Richard Rowson
